Brightening up the bleak winter with some color, **Neighborhood Artists In Logan Square (N.A.I.L.S.)** presents it's first exhibition with 25 member-artists at the square's newest café, New Wave Cafe, 3103 W Logan/2557 N Milwaukee, in Chicago. *The CMYK Show* provides an eclectic mix of works inspired by cyan, magenta, yellow and black (CMYK in printer's terms). On display February 16 through March 15, the exhibition opens with an informal **Meet-the-Artists-After-Work Viewing** on Monday, February 16, 5:30pm–8:30pm, and winds down it's month-long run with a **Closing Artist Reception** event on Sunday, March 15, 6–9pm.

What is N.A.I.L.S.?

N.A.I.L.S. = Neighborhood Artists In Logan Square. We are an eclectic collective of artists with one thing in common—we all reside in Logan Square.

N.A.I.L.S. provides a forum for neighborhood artists to exchange ideas, constructive critique, techniques, exhibition opportunities and announcements through our monthly meetings, website and listserv. As the N.A.I.L.S. network of member-artists grows, we seek to engage Logan Square and the surrounding communities with art through N.A.I.L.S.-organized activities, exhibitions and events. Any artist living in Logan Square is already a member and they need only to contact us and let us know!
